CHRONO

Mr. Robert Simmons, Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Rob:

As a follow-up to our conversation this morning, I am enclosing for your information and further dissemination to potential attendees at next week's CIA hosted Social Security/Civil Service Reform meeting, two papers which will, on the one hand, provide background and on the other, chart a possible course of legislative action. The purpose of the meeting is to determine your receptivity to such a proposed course. Familiarity on the part of all participants with these documents will provide a common basis for discussion.

I await your call as to which day next week (with the exception of Tuesday) will be best.

Sincerely,

Chief, House Liaison  
Legislative Liaison Division  
Office of External Affairs
